

JustLeadershipUSA Regrant Application

A. Overview

JustLeadershipUSA (JLUSA) is dedicated to cutting the US correctional population in #halfby2030. JLUSA empowers people most affected by incarceration to drive policy reform. From closing toxic jails and prisons to reforming pretrial laws, barriers to employment, and the wider system of mass criminalization, JLUSA's bold campaigns with valued partners across the U.S. amplify the voices and expertise of directly impacted people who are leading us toward #halfby2030.

The JLUSA Request for Proposals (RFP) gives organizations the opportunity to apply for funding that can be used to increase an organization's capacity to support JLUSA's mission through fulfilling its own mission.

Please answer all questions to the best of your ability and provide as much detail as possible.
